JiOLAM[®]

DOORSKINS

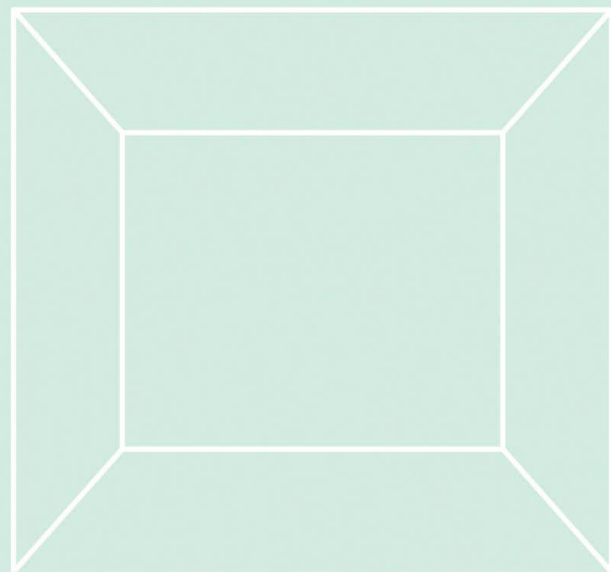

ABOUT US

These doorskins are made from the finest quality materials. Widely preferred for innovative designs, textures, complementing colours, elegant finishing and durability, Jiolam is a collection from which every interior designer would like to choose. These designs are available in various designs, colours, textures and shades with a pre-finish look and do not require any paint or polish. They can withstand any outer climatic conditions.

We keep on adding new designs to our collection to give a fresh look to our end customers' interiors. Jiolam has adopted high-precision manufacturing to ensure you get a well-finished look and unique designs every time.

TECHNICAL SPECIFICATION

PRODUCT DATA

- Jiolam Door Skin

SIZE

- 7 x 3.25 Feet

FINISH

- Texture, SF, Matt

TESTED

- All test methods are carried out under international test standards

MAINTENANCE

- Cleaning should be carried out with a soft cloth and warm solution. Do not use detergents containing abrasive particle or excess soda

ORDER

- While ordering the product always specify design number or name with finish

NOTE

The doors shown in the catalogue represent colour and finish. For actual color and finish refer live sample as due to printing limitation there might be slight variation.

DIRECTIONS OF USE

Bonding of lamination under high humidity, plywood with high moisture content, ply with uneven surface, interior quality adhesive and insufficient pressure may lead to delamination/air bubble in between ply and laminates. Decorial Door Skin warrants that its products are free from manufacturing defects and they fit and suitable for usual purpose under normal and proper use. The product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product.

No claim will be Entertained For Air Bubbles

No claim will be Entertained For cracking arising our for groove currying or L Shape
