SPECIFICATIONS

Product :

High pressure decorative laminated sheet

Size :

1220 mm x 2440 mm

Conditions :

Resistant to Boiling water, Hot oil, Direct heat, Phenol, Mild acid, Mild alkali, Rectified spirit, Ink, Tea, Coffee etc., without splitting, blistering, warping or disintegrating.

Maintenance :

Wipe clean with ordinary soap or household ammoniated liquid detergent. For stubborn stains use diluted organic solvent or stain remover. Abrasive cleaners and wire brushes are not recommended. Metallic & Pearl laminates are fragile and sensitive, hence the company will not entertain any claim on these laminates.

Note :

Samples pasted represent only color/pattern/finish and not actual thickness. Please specify color or design number along with finish.

Warranty :

Company warrants that its products are free from manufacturing defects and that they are fit and suitable for usual purpose, under normal & proper use. The product must be inspected prior to installation and factory liability will be limited to the cost of our product only. We suggest our customers to check the color and finish of the laminate prior to installation. The company will not entertain any complain arising out of color variation after installation. Any complains, due to changes in climate conditions will not be entertained by the company.
