12	Resistance to colour change in Xeonarc light	Wool Standard	-	Should pass test	✓
13	Specify Gravity	gm/cm3	-	1.4	✓

Do not use chemicals for cleanings.

Avoid direct sunlight / continuous light. This may cause color fading.

Extra care is required in vertical pasting of laminates sheets as there is possibility of bubbles due to lack of uniform pressure.

Cracking at corners and around the cuts may be caused due to improper conditioning, improper bonding or poor planning. Avoid all these to prevent cracking at corners.

THIS IS FOR SAMPLE PURPOSE ONLY, NOT FOR SALE.
For actual colour, texture & finish refer to real samples, as there might be a slight varitaion in appearance due to printing limitations.

SIZE: 2440mm X 1220mm
